January 15, 2021

Thank you for subscribing to my weekly newsletter. Below you will find important federal, state and local updates from the last week curated for you in one place.

The 87th legislative session officially began on Tuesday with our swearing-in ceremony, and we have already begun work by adopting House Rules which will allow us to better manage a legislative session during these unusual COVID circumstances.

Thank you to the citizens of District 127 for allowing me to serve them once again. I would especially like to thank my beautiful wife and family for all of their support over the many years that I've served, and throughout this 87th legislative session. Also, a special congratulations to my daughter Brianna who is serving as an intern in Representative Drew Darby's office during this session.

Finally, I would also like to congratulate the new Speaker of the Texas House, Representative Dade Phelan. I look forward to working with him and his staff on addressing the issues facing Texans in District 127, and across the state.

Should you have any questions about the information below, please do not hesitate to contact us. Please utilize email communication with our office during this time, via the email contact information at the bottom of this newsletter.

Sincerely,

*Dan*
